Subject: Opposed

Dear Town Council,

We are writing to express our opposition to the proposed ordinance. We love living in the Village with its distinct character created from over 169 years of strong investment in the Village.

The additional cost to administer this ordinance would be significant to the town, as well as an increased burden on town staff to administer, and it would increase the expense to property owners attempting to invest in their homes by requiring even the color of their addition or type of fence to be approved before any permits are issued (see Section 6 C).

Please do not support this overreaching and unnecessary ordinance, our Village is thriving.

Sincerely,

W Thomas Munro
Village Resident
